SHIRTS

SHIRTS & BLOUSES

MICRO-GROOVE'S COOL COMFORT

Micro-Groove is a performance polyester fabric with a unique micro-groove texture. This high-tech material provides superior body moisture control, to keep you cool and comfortable while you're on the move — even when it's warm. Garments are easy to care for: they can be machine-washed and tumble dried. And they dry fast when you need to wear it again tomorrow.

A. CASSIA LADIES' BLOUSE

Ladies' ¾ sleeve blouse with open collar neckline and front panel shaping. Curved hemline and side splits. %100 Breathable Polyester is light and comfortable to wear.

SCRUBS

THEATRE PROFESSIONAL

In the extremely demanding theatre environment, comfort of both staff and patient is paramount. That makes polycotton the ideal fabric, blending the durability and colourfast qualities of polyester with the comfort of cotton.

TEFLON finish enhances a great product. Not only does this help the washability of the garments by releasing daily marks and grime, it also rejects oily stains.
